growing THROUGH ITS FIFTY-FIRST YEAR

FOREWORD

Within these pages is our effort to show you Gardner-Webb College as it is in 1958. Each year Gardner-Webb has progressed, and through this progress has become less of a dream and more of a reality. Anchored by hope and inspired by the cooperative spirit which exists between the faculty and students, Gardner-Webb will continue to advance up and up and up.

Gardner-Webb is a Junior College offering accredited courses toward degrees in any profession which requires college training as a background. The preparatory possibilities are virtually unlimited. The added value of personal instruction is a vital part of Gardner-Webb. Without the guidance of the administration and capable leaders, the academic life would suffer.

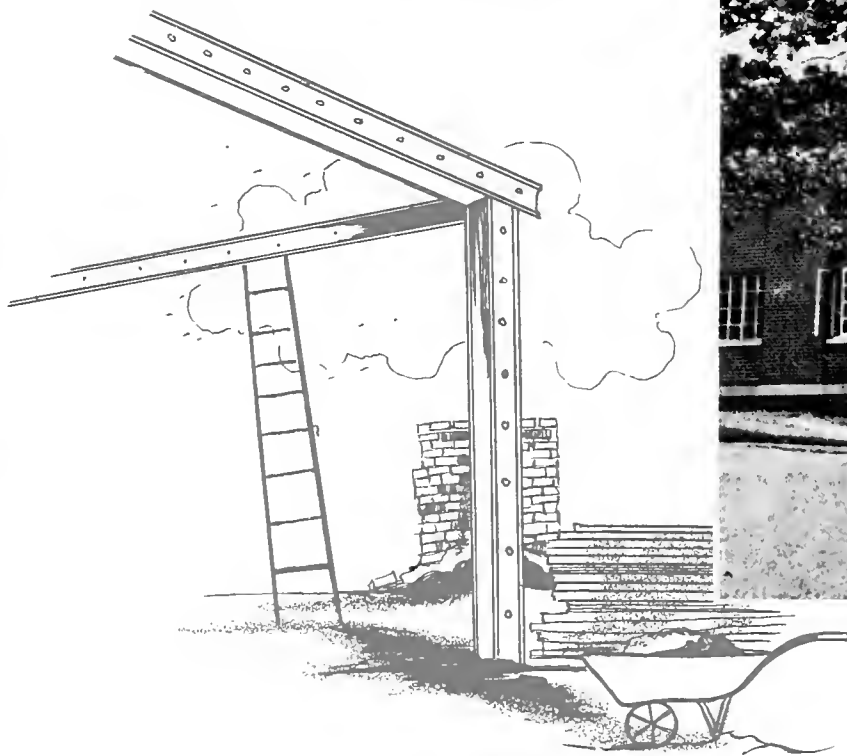

Gardner-Webb is accredited by the highest accrediting agency, the Southern Association of Colleges and Secondary Schools; and it is an active member of the American Association of Junior Colleges, the Carolina College Conference, and the American Council on Education.

Gardner-Webb boasts of an academic program well organized. The Department of Guidance at Gardner-Webb is as unique as it is active, offering personal guidance to every student who desires it. Gardner-Webb has an interesting and balanced athletic program for both men and women. The college offers cultural stimulants in the Department of Fine Arts and Vocational Arts, and all the education at Gardner-Webb has its roots in Christianity. The Department of Religion at Gardner-Webb places emphasis upon the practical expression of the Christian experience. Gardner-Webb is a liberal arts junior college offering courses in language, natural science, mathematics, and social science. Gardner-Webb is an institution of intangible value to all associated with her in the past and at the present.

DEDICATION

For her tireless years of service to Gardner-Webb--for her friendly spirit--for her willingness to help those who ask help--and for her sincere smile which is known by every student on campus--we, with deepest appreciation, dedicate the 1958 **ANCHOR** to Mrs. Dorothy W. Hamrick.

Here is Mrs. Hamrick at her desk,
the place where she is most often
seen.

Mrs. Hamrick enjoys cooking
special dishes for Philip in her lei-
sure time.

"The Moving Finger Writes"

When in the years to come you have occasion to glance at these pages, they will make your yesterdays live again, to some with laughter to others with tears; to some with pleasure, to others with regrets. Even if our yesterdays have lighted fools the way to dusty death, they have also lighted the awakened to fuller life.

Too, these pages may help you to understand that you may take your chosen ones with you on the road you travel, even though you leave them behind.

The Bulldog's Mascot

The Bulldogs had a 500 record this year — winning three, losing three, and tying three. They opened their season with a 6-6 tie with Lees McRae. The second game was against Wingate, and Wingate won 13 to 7. Then the Bulldogs met the Citadel Frosh and defeated them 6-0. Another conference game was played, and it ended in a 6-6 tie against Mars Hill. Next, the Bulldogs traveled to Wingate and were defeated 26 to 13. For the homecoming event, Gardner-Webb played Lees McRae and was defeated. This was the first time in nine years that the Bulldogs had lost a homecoming game. The next conference game was against Mars Hill, the conference champions; and the Bulldogs snowed the brothers under with a score of 14 to 0. The last two games were played out of state with G. W. defeating Ferrum 39-0 and tying 6-6 with Georgia Military.
